

Tripoli Phoenix presents

Arizona Rocket Gathering ARG 2014

March 29th & 30th

Cypress Launch Site:

The launch Site is located approximately 15 miles north of Quartzite East of US95. Access to site is accomplished by going through a Texas gate and traveling east approximately 2.3 miles on an unmaintained dirt road that is in good condition. **The coordinates of the gate off of 95 are 33°50'53.38"N 114°12'58.80"W.** Watch for the TRAPHX signs. Passenger cars and RVs are able to access the site. Overnight camping is encouraged. The recovery area is Creosote bushes; rocket trackers or GPS transmitters are encouraged.

Launch information:

All of Tripoli Phoenix Launches are conducted using the Tripoli Research rules.

Vendor:

There will not be a vendor on site, so make arrangements for your motors prior to the launch.

Waiver:

Our Waiver altitudes are being negotiated with the FAA we expect to have call ins to 40,000MSL. High altitude flights above 15,000ft may be restricted depending upon the high altitude wind speeds to ensure rockets stay within the waiver.

Range Hours:

Saturday 8:00am – 5:00pm
Sunday 8:00am – 12:00am

Range Fees: *Members* *Non-Members*

Single Day:	\$15	\$20
Both Days:	\$25	\$30

Rocket Movies under the Stars:

Saturday at 8:00pm around the fire pit we will have a TV set-up playing rocket videos. Join us with your favorite beverage and bring your rocket videos (CD or USB drive) to share with the group.

Special Requirements:

- Campfires are only allowed in above ground containers as long as fire restrictions are not in place. You are responsible to properly dispose of your ashes.
- Vehicles are **ONLY** allowed on existing roads.
- You must haul away your own trash. Including igniters and motor caps.
